Re: Request for proposals for 2 new 72" zero turn mowers

Proposal #P2017-14

The City of Salem is seeking proposals for 2 new 72" zero turn commercial grade mowers. These units shall be the 2017 model unit and will be purchased as a pair. No trade-ins will be included in the proposal. The following specifications shall be used as minimum guidelines for these mowers:

- New 72" cut side discharge zero turn mowers
- 900cc gas 4-cycle air-cooled engine – min. 35 hp
- 2 hydraulic pumps-min 16 cc each; 2 wheel motors
- High back suspension ride seat
- Min. 7 gauge welded steel deck
- Sealed ball bearing spindles
- Run flat front tires
- 5 yr/3000 hr pump and motor factory warranty
- Maximum delivery time upon receipt of order: 90 days.

The dealer is to submit on letterhead a detailed listing of equipment for proposed units. Dealers may submit proposals for 1 or more pair of units, as they may feel warrant consideration under these guidelines. Upgrades from the above minimum specifications will be considered.

The proposals will be opened at Salem City Hall on Wednesday, July 12, 2017 at 10:00A. This purchase must be approved by the City Council and will be presented at the July 17, 2017 City Council meeting. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost basis alone, as decided by City Council. If you have any questions regarding this, please feel free to call me at City Hall.
