

Proposal #P2019-01

The City of Salem is seeking proposals for a new 60" zero turn commercial grade mower. This unit shall be a new 2018 or 2019 model unit. A trade-in of 2005 Exmark will be included in the proposal. See below for trade-in mower description. The following specifications shall be used as minimum guidelines for this purchase:

New 60" cut side discharge zero turn mower
gas 4-cycle air-cooled engine – min. 31 hp
2 hydraulic pumps-min 16 cc each; 2 wheel motors
High back suspension ride seat
Min. 7 gauge welded steel deck
Sealed ball bearing spindles
Run flat front tires
Min. 10 bushel capacity bagger attachment
3 yr/2000 hr pump and motor factory warranty
Maximum delivery time upon receipt of order: 90 days.

Trade-in: 2005 ExMark Lazer Z liquid-cooled, Model #LZ27LKA604, Ser. #517226, 896 hrs, 27 hp gas motor, new motor in 2014.

The dealer is to submit on letterhead a detailed listing of equipment for proposed units. Dealers may submit proposals for 1 or more units, as they may feel warrant consideration under these guidelines. Upgrades from the above minimum specifications will be considered.

The proposals will be opened at Salem City Hall on Tuesday, Jan. 29, 2019 at 2:00P. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost basis alone. It is not a statutory competitive bid solicitation.

If you have any questions regarding this, please feel free to call me at City Hall.

John W. Pruden
Public Works Director
