

Proposal #P2016-01

The City of Salem is seeking proposals for a used dump truck. The unit shall be cab and chassis with dump body. Dealers may submit proposals for one or more vehicles, as they may feel warrant consideration under these guidelines. The dealer is to submit a detailed listing of equipment and vehicle description to allow for consideration by the Salem City Council. Please provide a photo of the complete unit with each proposal.

Guidelines for the truck unit: used 4x2, single rear axle truck with approx. 33,000 GVWR rating, white in color, with diesel motor, automatic transmission,(Allison 3000series) preferred, and air brakes. Guidelines for the dump body unit: \pm 12' dump body.

Please return proposals to the Salem City Clerk by Monday, February 29, 2016 at 4:00P.

The City of Salem reserves the right to purchase via proposal based upon merits of value, and not cost basis alone, as decided by City Council. Plans are for the purchase decision to be made at the March 07, 2016 City Council meeting and a purchase order issued shortly thereafter. If you have any questions regarding this, please contact Salem City Hall.
