

Proposal #P2016-12

The City of Salem is seeking proposals for a new ½ ton truck. This unit is to be a new 2016 model or new 2017 model 2WD full size pickup truck with long wheelbase and single rear wheels. The following specifications shall be used as a minimum guideline for this vehicle:

- V-6 engine, E.F.I. gasoline fuel (V-8 will be considered as an option)
- Automatic transmission w/OD
- 8 ft. long cargo bed
- Factory Air Conditioning
- Power Steering, Power Brakes
- AM/FM Radio
- Interior-vinyl; charcoal or blue color, 3-passenger bench seat
- Exterior Color – white (required)
- Vinyl/rubber full floor covering
- Bumper – painted front and rear.
- Intermittent wipers
- Tinted glass
- Cruise control
- Dome light package
- Factory warranty
- Standard tow package to be factory installed, including Class IV receiver hitch with 7-wire harness installed.

Maximum delivery time upon receipt of order: 90 days. The dealer is to submit a detailed listing of equipment for each vehicle proposed. Dealers may submit proposals for 1 or more vehicles, as they may feel warrant consideration under these guidelines. Upgrades from the above specifications will be considered.

The proposals will be opened at Salem City Hall on Monday, July 11, 2016 at 3:00P. This purchase must be approved by the City Council and will be presented at the July 18, 2016 regular City Council meeting. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost basis alone, as decided by City Council.

If you have any questions regarding this, please contact John Pruden at City Hall, 618-548-2222..
