Re: Request for proposals for 2 new ¾ ton trucks w/utility beds
Proposal #P2018-10

The City of Salem is seeking proposals for 2 new ¾ ton trucks with service body. Both units are to be a new 2018 model, or new 2019 model 2WD full size, extended cab, pickup truck with long wheelbase, single rear wheel, and utility bed. The following specifications shall be used as a minimum guideline for this vehicle:

- V-8 engine, E.F.I. gasoline fuel
- Extended cab
- Automatic transmission w/OD
- Minimum 9000 lb GVW
- Factory Air Conditioning
- Power Steering, Power Brakes
- AM/FM Radio
- Interior-vinyl; charcoal or blue color, 3-passenger bench seat
- Exterior Color – white (required)
- Vinyl/rubber full floor covering
- Bumper – painted front and rear.
- Intermittent wipers
- Dome light package
- 3-year/36,000 mile factory warranty
- 8 ft. Utility bed-3 locking doors per side. Color to match body
- Class V receiver hitch with 6 way light plug
- License and title – M plate

Delivery time upon receipt of order: **Specify on bid**

Proposal will be awarded as pricing for the pair and not individually. The dealer is to submit a detailed listing of equipment for each vehicle proposed. Dealers may submit additional proposals, as they may feel warrant consideration under these guidelines. Upgrades from the above specifications will be considered.

The proposals will be opened at Salem City Hall on Wed. May 02, 2018 at 4:00P. This purchase must be approved by the City Council and will be presented at the May 07, 2018 City Council meeting. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost basis alone, as decided by City Council. If you have any questions regarding this, please feel free to call me at City Hall.
