Re: Request for proposals for new AWD/4WD SUV Police Vehicle

Proposal #P2018-15

The Salem Police Department is seeking proposals for a new AWD/4WD police sport utility vehicle (SUV). This unit is to be a new 2018 model or new 2019 model that is equipped and ready for the road upon delivery. The specifications listed on the following three pages should be used as a guideline for this vehicle:

- Delivery time upon receipt of order: **Specify on bid**
 - The dealer is to submit a detailed listing of equipment for each vehicle proposed. Dealers may submit proposals for 1 or more vehicles, as they may feel warrant consideration under these guidelines. Upgrades from the specifications listed will be considered.

- **The proposals will be opened at the Salem Police Department on Thursday, May 31 at 10:00 A.M.**
 - This purchase must be approved by the City Council and will be presented at the June 4, 2018 City Council Meeting. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost base alone, as decided by the City Council. If you have any questions regarding this, please feel free to call me at the Salem Police Department at 618-548-2232.
