

Proposal #P2018-21

The City of Salem is seeking proposals for a new work type 4x2 utility vehicle. This unit can be a new 2018 or 2019 model. The following specifications shall be used as minimum guidelines for this vehicle: New 4x2 utility vehicle, 400cc gas 4-cycle engine – min. 13 hp, Continuously variable transmission (CVT), Metal cargo box with hinged bottom tailgate (removable), min. 10 cu.ft. capacity, min. capacity, rating-500 lbs. Complete guidelines and proposal package are available at City Hall.

The dealer is to submit on letterhead a detailed listing of equipment for each vehicle proposed. Dealers may submit proposals for 1 or more vehicles, as they may feel warrant consideration under these guidelines. Upgrades from the above specifications will be considered. Proposals are valid for 30 days from open date. Please include City proposal number on submittal.

The proposals will be opened at Salem City Hall on Thursday, December 13, 2018 at 2:00P. This purchase must be approved by the City Council and could be presented at the December 17, 2018 City Council meeting. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost basis alone, as decided by City Council. If you have any questions regarding this, please feel free to contact City Hall.

John W. Pruden
Public Works Director
