Re: Request for proposals for four (4) new AWD/4WD SUV Police Vehicles

Proposal #P2019-16

The Salem Police Department is seeking proposals for four (4) new AWD/4WD police sport utility vehicles (SUVs). These units are to be new 2018, 2019, or 2020 models that are equipped and ready for the road upon delivery. One (1) of the SUVs should be priced and equipped for a K-9 vehicle. The specifications listed on the following three pages should be used as a guideline for these vehicles:

- Delivery time upon receipt of order: **Specify on bid**
 - The dealer is to submit a detailed listing of equipment for each vehicle proposed. Dealers may submit proposals for 1 or more vehicles, as they may feel warrant consideration under these guidelines. Upgrades from the specifications listed will be considered.
- Finance
 - Seeking a no interest finance option that allows for one payment a year over four years.
- **The proposals will be opened at the Salem Police Department on Friday, June 21, 2019 at 10:00 A.M.**
 - This purchase must be approved by the City Council and will be presented at the July 1, 2019 City Council Meeting. The City of Salem reserves the right to purchase or reject via proposal based upon merits of value, and not cost base alone, as decided by the City Council. If you have any questions regarding this, please feel free to call me at the Salem Police Department at 618-548-2232.
