Re: Request for proposals for purchase of used roller
Proposal #P2021-04

The City of Salem is seeking proposals to purchase a used self-propelled 9 tire pneumatic tired roller. The following list is to be considered as a guideline of equipment for proposal submittal. The budgeted amount for this item is approximately \$30,000. Sellers may submit proposals for 1 or more units, as they may feel warrant consideration under these guidelines. The seller is to submit a detailed listing of equipment and description to allow for consideration by the Salem City Council. Please provide a photo of the complete unit with each proposal. The City of Salem reserves the right to purchase via proposal based upon the best interest of the City of Salem and merits of value, and not cost basis alone, as decided by City Council.

The following is to be considered as minimum guidelines for the unit:

Used 9 tire self-propelled pneumatic tired roller.

Min. operating weight – 10,000 lb

Min. gross weight – 24,000 lb

These are minimum guidelines and larger units will be considered.

Please provide details of the unit i.e.: year, make, model, hours, engine type & size, ROPS, availability, and any features applicable to the decision making process regarding the purchase of this unit.

The above guidelines are provided to sellers as a scope of unit targeted for purchase by the City for this proposal. All units proposed by the sellers will be considered, including new, used, and re-conditioned, and will be subjectively weighed per the merits of value. Upon receipt of proposals, the City may wish to view the unit prior to making award.

Please return proposals to the Salem City Clerk by Tuesday, March 23, 2021 at 10:00A. The City of Salem reserves the right to purchase via proposal based upon merits of value, and not cost basis alone, as decided by City Council. Plans are for the purchase decision to be made at the April 05, 2021 City Council meeting and a purchase order issued shortly thereafter.

If you have any questions regarding this, please feel free to call City Hall.
