Salem City Council
Regular Council meeting of 11/18/19

2. Swearing in and seating of Jacob Hockett as a member of the Salem City Council.
3. The City has worked with Ron Ragan in the past to purchase gas for our utility program. Our current contract is due to expire in March of 2020. John Pruden, and Annette Brushwitz and I talked with Ron and agreed to hedge our gas purchase prices for the next three years. The current prices on the extension are below the current contract price and are below the pricing we have seen in the last few years. This will give us some protection against the possibility of rising prices.
4. Requesting approval of a resolution to appropriate \$140,000 on Motor Fuel Tax Funds for 2020. This covers the planned application of asphalt and oil and chip to City streets during 2020.
5. Join us in welcoming Mr. Jacob Hockett to the Salem City Council.
