2. We have received a request from the Bryan-Bennett Library Board to pursue a resolution to levy 0.02% tax for the Library maintenance, repairs and alterations of the library buildings and equipment. This is allowable under state law and must be approved by the City Council and published within 15 days of adoption of the resolution. This would generate approximately \$17,852.00 for the library to allot towards maintenance and repairs of the building and equipment. Requesting approval.
